## A SINGLE UNIFIED POWERFUL FORCE

Handsome and imposing in its simplicity, Monolito provides a dignified environment for lecture halls, meeting rooms, auditoriums, or wherever learning happens. Start with Monolito's superior engineering and classic lines, select the option that best suits your space and needs, and then customize it with our extraordinary color and finish options.

## AN ORGANIZED WHOLE

Connectivity is clean and easy with Monolito's under-table or top-mounted access to an integrated modular power and data system. For secure wire management, all connections and wiring are concealed beneath a secure integrated raceway system.

### ENDLESS VARIATIONS

Both the modesty panel and the table leg's decorative center panel are available in different finishes, including Ecoresin panels in stunning translucent colors.

### ELEGANT FUNCTIONALITY

Interlocking components make for perfect fit, support, and rigidity. The sleek anodized aluminum finish handles wear and tear. An open design provides easy access and is ADA friendly.
